Anti-Freeze

We should only be using factory premix solution for new and when replacing.

It was suggested for us to readdress the States stand on anti-freeze and see how it needs to be altered; maybe have a sit down meeting with Doug in regards to this.

Fire Marshal's Minute

Current turnaround time is 2 – 3 weeks.

Aaron Kenning will send in a letter to the NE State Fire Marshal's Office asking for clarification on whether or not you are required to flow water during an annual fire sprinkler inspection. *HAS THIS BEEN DONE?*

How do we gain more members? How do we get more people involved in the organization?

Attics are now considered confined spaces.

Bed bug treatments in spaces with fire sprinklers – what are the appropriate steps to follow?
