FIRE SPRINKLERS SAVE LIVES!

SIXTEENTH ANNUAL
Burn Aid
2023 Golf Classic
Wednesday, September 27th, 2023

Tiburon Golf Club
10302 S. 168th Street, Omaha, Nebraska

We Need Your Support!

The Tangier Shriners transport patients receiving pediatric orthopedic, spinal cord, cranial facial, and burn care in their hospital system to and from whichever hospital they are receiving treatment. The cost of this service is funded thru the Tangier Shriners Transportation Fund. The Burn Aid Golf Tournament will directly support the current 350 local children receiving care at Shriners Hospitals for Children in Cincinnati, St. Louis, Minneapolis and Chicago. Today, the Shriners are providing transportation for patients 4 to 5 days a week. Be it by van or thru the air, dedicated volunteers keep this service running.

Please help us support the Tangier Shriners and burn victims in our community! There is always strength in numbers. The larger the FSCAN tournament grows, the more support we can provide to the transportation fund. This event is open to the public with registration costs associated with each entry. Please review the attached information on how you can support our cause and GET INVOLVED!

Since 1989, FSCAN has sought to bring together people associated with the fire protection industry in order to stay up to date on changes in codes and regulations. FSCAN also focuses on providing educational opportunities to promote fire sprinkler installations as a means of saving lives and property.

Over the past 16 years, with your support, FSCAN's partnership with The Tangier Shriners have been able to collectively raise over \$93,000 for the Tangier Transportation Fund. We thank you for your continuing support of our combined efforts to help the children served by Shriners Hospitals for Children. Let's make the 2023 event a record breaker!
