Round Table & New Business

FSCAN to explore some training options with NFSA for the spring regarding NFPA 30 and high piled storage.

Multiple cities are moving to an online reporting system called Compliance Engine. Papillion, Norfolk, and Scottsbluff have all gone live and Omaha is expected to start participating on October 1st. There is a fee to upload each report and is a required process instituted by each City to help ensure 100% compliance in inspections and deficiencies of fire safety systems. <https://www.thecomplianceengine.com>

SFPE will be holding a Fire Pump training class in June of 2022. More information to follow once received.

Adjournment:

Meeting was adjourned at 11:16am by Sean Saunders.
